General Safety and Health Protocols

- Family not allowed on vehicle for any classes.
- Each child comes in one at a time.
- There is no food allowed.
- Signage is posted outside to remind families of social distancing.
- Social Distancing plan has been shared with all staff, and is posted on the vehicle and on the website.
- Teachers and staff will wear a mask, but children will not wear masks while in class. It is not safe to exercise with a mask on.
Staff members and children shall either wash hands with soap and water or use hand sanitizer before they enter the class and when they exit the class.
- Temperature checks will be done at the entrances for all staff and children with a no-touch infrared thermometer. If anyone has a temperature of over 100 they will not be permitted in the building.

Cleaning protocols

- The vehicle is cleaned in its entirety daily before and after classes and always between classes.
- All high touch surfaces are wiped down with either an alcohol wipe or disinfectant approved by the EPA to fight Covid-19. The contact time for our disinfectant is 1 min.

Drop off and pick up procedures protocols

- Children must wait outside for the teacher to open the door to enter the dance room.
- Before children enter, the teacher shall scan the forehead of each dancer with the hands-free infrared thermometer to ensure they do not have a temperature of 100 or higher.
- The teacher must wipe down the thermometer with an alcohol wipe before placing it in the storage basket.
- Children must wash their hands with soap and water or use hand sanitizer before starting class.
- After class, children will be dismissed one by one.
- Children shall use hand sanitizer when exiting the studio.
- Parents must not gather at drop off or pick up of class.

Employee Training

- Review cleaning protocols between classes.
- Review drop off and pick up protocols.
- Self Screening
 - You can use an online self checker here-
<https://www.cdc.gov/coronavirus/2019-ncov/index.html>
 - Do not come into work if you are/have sneezing, coughing, runny nose, sore throat, fever of 100 or higher.
- Review Covid-19 general education:
<https://www.gov.ca.gov/wp-content/uploads/2020/04/Update-on-California-Pandemic-Roadmap.pdf>
 - From
https://www.cdph.ca.gov/Programs/CID/DCDC/CDPH%20Document%20Library/School%20Guidance_ADA%20Compliant_FINAL.pdf

COVID-19 is a respiratory illness caused by a novel virus that has been spreading worldwide. Community-acquired cases have now been confirmed in California. We are gaining more understanding of COVID-19's epidemiology, clinical course, immunogenicity, and other factors as time progresses, and the situation is changing daily. CDPH is in the process of monitoring COVID-19, conducting testing with local and federal partners, and providing guidance and resources to prevent, detect and respond to the occurrence of COVID-19 cases in California. At this time, community transmission of COVID-19 has occurred in California. Educational institutions should prepare for possible impacts of COVID-19 and take precautions to prevent the spread of COVID-19, as well as other infectious diseases, including influenza and gastroenteritis.
 - The Ca SIP will not eliminate the disease it will slow the spread so medical teams can prepare and not be overwhelmed by an influx of patients.
- If the cohort teacher is ill the class will have class cancelled.
- Staff shall wash hands or use hand sanitizer when they begin the day and in between classes
- Staff shall use hand sanitizer after touching their face or using the restroom.
- All teachers and staff shall wear masks.

What happens when a student who has returned back to class, a staff member, or an immediate family member of that population tests positive for Covid-19?

The business will immediately close for in person classes, for 2 weeks.

This plan is posted on our website www.tumbletimexpress.com, it has been submitted to the county health department and the Brentwood Police Department, County Supervisor's Office, Chamber of Commerce, and Mayor's Office.

To Whom it may concern:
